

Dear Friends:

Greetings to everyone and we hope everyone is doing well. On April 12, 2007 the Board of Governors for the Dante Alighieri Cultural Society authorized a subsidiary group of our Cultural Society that is geared towards the younger generations. Our new ad hoc group is called "Dante Young Professionals."

Our mission is to promote and enjoy Italian culture. This organization is targeting the young population, regardless of one's nationality, to build relationships and contacts. We propose to organize social gatherings meeting at different restaurants and other venues within the Boston area, summer BBQs as well as participating in many of the Dante Alighieri's events.

Please note, that this new group is a free service to all Dante Alighieri members who are young at heart. If you or one of your family members would like to be involved in the Dante Young Professionals, please feel free to contact me.

Respectfully yours,

Riccardo L. Rullo, Esq.
