October, 2007

April 2007 is the kickoff of the Dante Young Professionals, a new division of the Dante Alighieri Society of Massachusetts located in Cambridge, MA. Our mission is to promote and enjoy Italian Culture. The organization is targeting the young population, regardless of one's nationality, to build relationships and contacts. We propose to organize social gatherings monthly at different restaurants and other venues within the Boston area, summer BBQ's and joint events with the Dante Alighieri Society. October is National Italian Heritage Month and we will celebrate by hosting the First Annual Wine Tasting Event for the Dante organization at the Society headquarters in Cambridge. We look forward to building the future of the Dante!
